I. INTRODUCTION

1. This group comprises 76 claims (Claims) in category A2.1 – Death of an immediate family member (Group).
2. The Claims have been reviewed by the Secretariat in accordance with Article 19 of the Rules Governing the Submission, Processing and Recording of Claims (Claims Rules).

II. METHODOLOGY

3. The Group was formed by the Secretariat according to the following criteria:
 - a. the Claims were filed by natural persons who are Ukrainian nationals;
 - b. the Claims were filed by adult Claimants on their own behalf;
 - c. as per the Claimants' submissions, the Claims concern the death of an immediate family member which occurred in the internationally recognised territory of Ukraine;
 - d. the immediate family relationship is confirmed by an entry in Ukraine's Register of Civil Status Acts (Register of Civil Status Acts);
 - e. the death is confirmed by an entry in the Register of Civil Status Acts;
 - f. the death, as well as the event that caused the death (as per the Claimants' submissions), occurred on or after 24 February 2022;
 - g. as per the Claimants' submissions, the deceased were civilians and did not hold any special status;
 - h. as per the Claimants' submissions, the death was caused by: (i) active hostilities, (ii) shelling (air strike, artillery, mortar, small arms, other types of shelling), (iii) explosion of mines or other explosive devices, (iv) violent actions during a stay in temporarily occupied territories or in combat zones/potential combat zones, (v) violent actions due to unlawful imprisonment or abduction, (vi) an attempt to evacuate from temporarily occupied territories or combat zones/potential combat zones, or (vii) other events linked to the internationally wrongful acts of the Russian Federation;
 - i. the Claims contain evidence *prima facie* establishing a causal link between the death and the internationally wrongful acts of the Russian Federation;
 - j. the Claims fulfil the general requirements set out in Articles 10 and 13 of the Claims Rules, as well as the technical requirements prescribed by Article 17 of the Claims Rules; and
 - k. the Claims have not been the subject of a Board decision to date.

4. The Board has reviewed the criteria and the methodology applied by the Secretariat to identify and select the Claims in the Reparations Claims Management System (RCMS) for inclusion in the Group. Moreover, the Board has assessed the verification conducted by the Secretariat to ensure that the Claims meet the eligibility criteria.
5. The Board recalls its previous determination that, in accordance with Article 19(3) of the Claims Rules, it is appropriate for the Secretariat to rely on data from the Register of Civil Status Acts in addition to the evidence contained in the relevant claims.¹

III. ASSESSMENT

6. Article 6.5(c) of the Statute of the Register of Damage Caused by the Aggression of the Russian Federation against Ukraine (Statute) provides that the Board has the “ultimate authority in determining the eligibility of claims to be recorded in the Register, based on the recommendation of the Executive Director”. In accordance with Article 2.1 of the Statute, the Register’s role is to assess and determine the “eligibility of claims for inclusion in the Register” and to record eligible claims “for the purposes of their future examination and adjudication”. The Register does not have any adjudicative functions with respect to such claims, including a determination of responsibility and an allocation of any payments or compensation.
7. On this basis, the Board considers that in the performance of its functions under the Statute, its role is limited to ascertaining whether the criteria for the eligibility of claims submitted, as laid down in Article 2.2 of the Statute and Article 18 of the Claims Rules, have been met. This determination is made applying a *prima facie* standard of review of the evidence and the information provided in the recommendation of the Executive Director.
8. Pursuant to Article 18 of the Claims Rules, claims shall be eligible for recording if they meet the following criteria:
 - a. the claims are submitted by or on behalf of an eligible Claimant;
 - b. the claims are for damage, loss, or injury that occurred on or after 24 February 2022;
 - c. the claims are for damage, loss, or injury that occurred in the territory of Ukraine within its internationally recognised borders, extending to its territorial waters; and
 - d. the claims are for damage, loss, or injury that was caused by the Russian Federation’s internationally wrongful acts in or against Ukraine.
9. Claims cannot be recorded in the Register if they are manifestly unfounded.

¹ See e.g. Board Decision on Group G-A2.1-000001 (17 March 2025) RD4U-Board-CLD(2025)03 [4].

10. The Claimants in the Group are natural persons of Ukrainian nationality who have submitted Claims on their own behalf. The Claims concern deaths that occurred on or after 24 February 2022 based on the date of event indicated by the Claimants, as well as the date of death recorded in the Register of Civil Status Acts. As per the Claimants' submissions, the deaths in the Group occurred within the internationally recognised borders of Ukraine.
11. The Claims contain data from the Register of Civil Status Acts. As noted in previous decisions, the Board considers that a relevant entry in the Register of Civil Status Acts constitutes proof of the existence of the necessary immediate family relationship between the Claimant and the deceased person as foreseen by paragraphs 3.3 and 3.4 of the Claim Form and Rules for claims category A2.1 (i.e., as relevant to the Group, parent, child, or spouse), as well as proof of death of the latter.²
12. The Claims contain evidence *prima facie* establishing a causal link between the death and the internationally wrongful acts of the Russian Federation and event descriptions that also indicate a link to the internationally wrongful acts of the Russian Federation, such as shelling, aerial attacks, or other hostile or violent actions.
13. The Board therefore determines that the eligibility criteria in Article 18 of the Claims Rules for recording the Claims in the Register are met.

IV. DECISION

14. Pursuant to Articles 2.2 and 6.5(c) of the Statute and Articles 21(7) and (8) of the Claims Rules, the Claims in Group **G-A2.1-000010**, as listed in RCMS, shall be recorded in the Register.
